

The minor in computer science requires:

CPSC 1375 Programming I

CPSC 1175 Introduction to Computer Science Laboratory

CPSC 2376 Programming II
or CPSC 2377 Introduction to Game Programming

CPSC 2380 Data Structures and Algorithms

CPSC 2382 Introduction to Computer Systems and Assembly Language

CPSC 3380 Operating Systems
or CPSC 3370 Net-centric Computing: Systems Concepts

MATH 1451 Calculus I
and MATH 1452 Calculus II
or MATH 1311 Applied Calculus I
and MATH 1312 Applied Calculus II

One three-hour upper-level computer science course
